

Carnival workshop at Shalfleet School

Saturday 3rd July 10-3pm in Shalfleet School Hall

We are holding a carnival workshop on this Saturday to make costumes for the local carnival parades on Sunday 18th July and Saturday 14th August.

We will be making jellyfish and pirate costumes, flags banners, waves and all things sea like and would love it if you could join us – which will go with our giant costume that parents are currently making.

As stated in the carnival letter that went out a few weeks ago please could you let us know if you are coming and what costume you would like to make to ensure that we have enough materials on the day.

We also said that as it is sometimes challenging to make things with children around we are inviting parents to come on their own if they want to make their costume without disruption! We are also open to parents making the costumes at home if they feel able but materials and instructions will need to be collected.

We want as many people to take part as possible so please text Kay on 07545874435 and let us know you are coming, what you want to be and how you want to do it!

They will be several making areas on the day and lots of things to do, so we hope that we will be able to keep the creativity flowing.....

Please feel free to drop in any time during 10am-3pm and stay as long as you want

See you there !
